

**REMARKS**

The application has been amended to place it in condition for allowance. Specifically, claim 5 which was rejected under §112 has been revised and is now believed to be in proper form. (In Claim 5, "or" has been changed to the proper word "of" and the reference numeral "44" has been deleted.) Claims 27-37 which also were rejected have all been cancelled from the case.

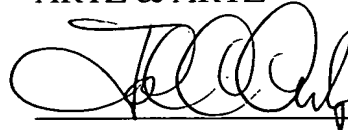

Claims 1, 3, 7-9, 13, 15, 19, 21 and 22 which were allowed remain in the case, together with amended claim 5.

Finally, a new formal drawing is being submitted concurrently with this response. In the drawings, Figure 2 has been corrected.

In view of the foregoing, it is submitted that all of the claims remaining in the case, namely claims 1, 3, 5, 7-9, 13, 15, 19 and 21-22, are in proper form and allowable. Accordingly, allowance of these claims and passage of the application to issuance are respectfully requested.

Respectfully submitted,

ARTZ & ARTZ
